Grand Master of Masons in Wisconsin Visits Three Pillars' MasonWoods Residents

Arby Humphrey, Most Worshipful Grand Master of Masons in Wisconsin, visits each of Three Pillars' communities

Grand Master Arby Humphrey speaks to residents at the annual MasonWoods steak fry, part of his visit with all communities that are part of Three Pillars Senior Living Communities.

Cecil, WI, August 7, 2017 – The residents at Three Pillars Senior Living Communities' MasonWoods campus were recently paid a visit by a distinguished guest: Most Worshipful Grand Master of Masons in Wisconsin, L. Arby Humphrey.

Grand Master Humphrey spent an afternoon at MasonWoods Independent Living community, attending their beloved annual steak fry event as he mingled with residents and friends of the organization. Over a hearty summer meal and pontoon boat ride on Shawano Lake, he shared his goals to enhance the Masonic Fraternity in Wisconsin under his tenure during the coming year. Residents enjoyed getting to know him personally and Masonically.

In addition to his MasonWoods visit, Humphrey also took time to visit with residents in each area of the 60-acre Dousman, WI branch of Three Pillars Senior Living Communities. The Dousman campus is home to an independent and catered/assisted living community, as well as memory care, skilled nursing, rehabilitation, and wellness services.

Masonry (also known as Freemasonry) is the world's first and largest fraternal organization. A brotherhood of like-minded men who genuinely care about each other, Masons believe that each man has a responsibility to help make the world a better place. Through their culture of philanthropy, they work to make a profound difference in our communities and for our future. This year, Humphrey intends to focus on growing membership, therefore strengthening the network of good men doing good things in communities across Wisconsin.

Humphrey commented, "It's my pleasure to spend time with the residents of MasonWoods, which is part of Three Pillars Senior Living Communities, the largest charitable branch of Wisconsin Masons. I believe in the importance of informing them about the status of Masonry in Wisconsin, and what the fraternity aims to achieve this coming year. Plus, the chance to interact with them unfailingly puts a smile on my face, no matter the occasion."

Erin Jacyna, MasonWoods Community Property Coordinator, organized group pontoon boat rides for residents and Grand Master Arby Humphrey during his campus visit.
