Three Pillars Senior Living Communities' 23rd Year of Free Community Trick-or-Treat Event

Three Pillars Senior Living Communities did it again – a fun and successful Halloween Haunted Woods is in the books.

Dousman, WI. October 23, 2015 – Three Pillars Senior Living Communities celebrated its 23rd year of Halloween Haunted Woods, a free community trick-or-treat event coordinated by Three Pillars' staff, residents, volunteers, and area businesses, who generously donate their time and money. Costumed visitors walked a path through the amazingly decorated buildings and beautiful woods, enjoying different themes in each area of the campus as they collected sweet treats from the residents.

In its infancy, the unforgettable event aimed to accomplish three simple goals: create a safe environment for families to bring their children, invite more of the community onto the beautiful 60 acre campus, and allow for the incomparable interactions between seniors and children.

Now, over two decades later, it continues to grow in popularity. Despite a rainy Friday evening, Three Pillars welcomed 1,255 visitors to its campus, filling it with squeals of excitement from the children and joyful smiles from the seniors.

In lieu of an event admission fee, Three Pillars continued the tradition of collecting food for the Kettle Moraine Food pantry. This year, they are pleased to deliver over 8 barrels of non-perishables plus cash donations to help area families in need.

Three Pillars Senior Living Communities is a not-for-profit organization located in Dousman, WI and is sponsored by the Masonic Fraternity.
