NEW THREE PILLARS DINING DIRECTOR BRINGS FRENCH INFLUENCE

Dousman, Wis. August 27, 2018 —Three Pillars Senior Living Communities welcomes Brent Russell as the new Director of Dining Services. Mr. Russell will be responsible for food production, the resident dining experience, and catering.

Mr. Russell's passion for food began many years ago when he had the opportunity to live in France. With over 15 years of culinary experience as a Chef, as well as, a Dietary Manager and Food Protection professional, Mr. Russell will continue the tradition of food excellence at Three Pillars. Most recently he was with ProHealth Care as the Chef/Supervisor for both retail and in-house patients for all campuses.

Mr. Russell is excited for the opportunity, "I've heard for so long how wonderful the community is at Three Pillars. In fact, for years both of grandmothers joked and told me to leave the hospital and use my culinary skills to take care of their friends there and now here I am today. I am very excited to start this new chapter of my life and I look forward to growing with this community and continuing to exceed the expectations of our Residents."

According to Three Pillars CEO Mark Strautman, "The dining experience we create for our residents is key to their satisfaction. Brent's ability and dedication to creating exceptional experiences for residents will help us meet their needs, while keeping with our mission of providing older adults with exceptional services—services which provide them the lifestyle they deserve, at a value, from people they can trust. I am excited he's a part of our team."
