Three Pillars Senior Living Communities Partners with LindenGrove Communities for Rehabilitation Therapist Services at Hickory Suites

Dousman, WI – March 2, 2017 – Three Pillars Senior Living Communities is partnering with LindenGrove Communities for rehabilitation therapist services at Hickory Suites, the organization’s hospitality-based short-term rehabilitation facility. LindenGrove Communities began providing a dedicated team of therapists at Three Pillars on March 1. Three Pillars, like many senior living communities, has historically contracted with an outside provider for onsite short and long-term rehabilitation staff. The organization has been evaluating needs for some time and identified LindenGrove Communities as a strong partner.

“We are excited for this partnership with LindenGrove Communities, an organization whose mission and values closely align with the mission and values of Three Pillars,” said Mark Strautman, President and CEO. “As we looked at growing needs, we have formed a strong relationship with LindenGrove Communities and it became apparent that this partnership is a natural fit.”

Linda Joel, President and CEO of LindenGrove Communities added: “Our organizations share a commitment to high quality care and patient satisfaction in the senior living space, and we look forward to partnering with Three Pillars into the future.”

Three Pillars’ Hickory Suites Rehabilitation is located in Dousman and provides a short-term inpatient and outpatient rehabilitation environment featuring fully furnished private suites, therapy gym, and a dedicated team committed to helping patients return home.

About Three Pillars Senior Living Communities

Three Pillars Senior Living Communities is a not-for-profit organization located in Dousman, Wisconsin and is sponsored by the Masonic Fraternity. We take pride in meeting the social, physical, and spiritual needs of older adults by providing high quality housing and services.

About LindenGrove Communities

LindenGrove Communities is a nonprofit organization dedicated to improving the lives of older adults since 1987. LindenGrove Communities offers rehabilitation, assisted living, memory care and skilled nursing in award winning care settings throughout Waukesha County.
