Three Pillars Senior Living Communities Celebrated at Anniversary Event

Three Pillars' Wellness Connection and Hickory Suites Rehabilitation rang in five years with a party

Dousman, WI. January 28, 2016 – Three Pillars Senior Living Communities opened their doors for a five year anniversary celebration of the Wellness Connection and Hickory Suites Rehabilitation on Jan. 27. More than 100 neighbors from the community, fitness members, residents, and staff enjoyed appetizers, giveaways, and mingling as they celebrated two fantastic facilities marking five years of operation.

Because wellness is about more than just working out, Three Pillars' **Wellness Connection** emphasizes a holistic approach to wellness offerings, nurturing the mind, body, and spirit. Programming and equipment in the 4,700 square foot facility are designed exclusively to meet the fitness needs of adults 55+.

At **Hickory Suites Rehabilitation**, the simple goal of getting patients back home guides the distinct, hospitality-based, short-term rehabilitation experience. Discharge planning begins hours after admission, and with a cozy environment of fully furnished private suites and countless convenient amenities, short stays are productive and comfortable.

Three Pillars Senior Living Communities is a not-for-profit organization with locations in Dousman and Cecil, Wisconsin and is sponsored by the Masonic Fraternity. Three Pillars Senior Living Communities takes pride in meeting the social, physical, and spiritual needs of all seniors by providing high-quality senior housing and services.
