Three Pillars Unveils Tribute Path

New outdoor area on campus paves the way with opportunity for recognition and remembrance to support mission

The Tribute Path, located at Three Pillars' Compass Point building, helps support the non-profit's mission.

Dousman, WI September 6, 2016 – Three Pillars Senior Living Communities is pleased to announce a brand new, scenic, outdoor addition to its campus: The Tribute Path.

Located near the front entrance of Compass Point Catered / Assisted Living (365 Sunset Drive, Dousman) and leading down to the campus' breathtaking Memorial Garden along the bank of the Bark River, this beautiful new path serves as an area of both recognition and remembrance. With engraved tribute bricks and benches to memorialize or honor individuals, the meticulously landscaped path is perfect for reflective strolls or meditative seating.

The mission of Three Pillars is simple: *Three Pillars Senior Living Communities, sponsored by the Masonic Fraternity, takes pride in meeting the social, physical, and spiritual needs of older adults through high quality housing and services.* The Tribute Path is a particularly special representation of the non-profit organization's rich history and dedication to mission, according to Jane Olisar, Chief Development Officer at Three Pillars. "Residents of Three Pillars are never asked to leave because of an inability to pay for their care. Funds raised through the Tribute Path bricks and benches are used to keep this important part of our mission alive, building the Resident Support Fund," she says.

Engraved bricks and benches may be purchased on an ongoing basis, as the Tribute Path has room to grow and may continually be added to. For more information about the Three Pillars Tribute Path, the Resident Support Fund, or other Charitable Giving opportunities, please contact Jane Olisar in the Development Office at 262.965.7294 or give@threepillars.org, or visit us online at www.threepillars.org/Get-Involved/Charitable-Giving.htm.
