FOR IMMEDIATE RELEASE

Vehicle Donation Brings Together Three Pillars Senior Living Communities, Family Promise of Waukesha County, and Boucher Automotive Group

Van donated by Three Pillars will receive maintenance through Boucher during its time with Family Promise

Left to right: David Tennyck, Executive Director of Family Promise, Matt Warpinski, Service Manager of Waukesha Boucher Chevrolet, and Jane Olisar, Chief Development Officer at Three Pillars.

Dousman, WI, February 15, 2017- Wednesday afternoon may have been chilly, but many hearts were warmed through a combined act of kindness by Three Pillars Senior Living Communities in Dousman and Boucher Chevrolet in Waukesha.

Three Pillars, a not-for-profit organization located in Dousman, donated a much-needed 2005 Chrysler Town & County minivan to Family Promise of Waukesha County. The vehicle, originally purchased in 2007 by Three Pillars, provided a decade of use for their hundreds of employees and residents, and was now no longer needed. When they became aware of Family Promise's efforts to help families in need in our local community, Three Pillars was pleased to offer the donation.

"As a non-profit ourselves, the opportunity to offer this type of donation to another non-profit is particularly special. It's our pleasure to support Family Promise, an organization that, like Three Pillars, also focuses their mission on bettering the lives of those in our community," said Jane Olisar, Chief Development Officer at Three Pillars.

Family Promise, a national organization, has their Waukesha County branch based in Wales. Their day center provides assistance to family members in achieving their goal of sustainable independence. At night, families are provided overnight shelter and support by area congregations.

"And we can't stress enough how grateful we are to have this van," responded David Tennyck, Executive Director of Family Promise. "Transportation of families is an ongoing challenge for us. Each day we are committed to getting our guests to work, school, classes, job interviews, and more," he continues. "An additional vehicle will make it so much easier to provide that support.

When Boucher Automotive Group learned of the donation, they generously stepped in to provide ongoing maintenance and service on the vehicle during its use by Family Promise. As a family owned and operated dealer group that's been serving Southern Wisconsin for over 36 years, they regularly engage in opportunities to give back to their community.

"We are happy to participate!" commented Matt Warpinski, Service Manager of Boucher Chevrolet in Waukesha. "Supporting our local community is a major priority of both the Boucher family and their overall organization."

With keys in hand, Family Promise drives away with grateful hearts and a newfound means of helping area families, thanks to Three Pillars' generosity and Boucher's gracious ongoing support.

Family Promise assists homeless families with children in Waukesha County. They provide overnight shelter, meals, and support services with the goal of achieving permanent housing and sustainable independence. To learn more, go to www.familypromisewaukesha.org.

Three Pillars Senior Living Communities, located in Dousman, WI, is sponsored by the Masonic Fraternity. They take pride in meeting the social, physical, and spiritual needs of older adults by providing high-quality senior housing and services with a complete continuum of care options. For more information, visit www.threepillars.org.

Boucher Automotive Group offers the largest inventory of vehicles in Wisconsin, and their award-winning service departments take care of vehicles long after the sale. To learn about your next new or pre-owned vehicle, or to experience their top-notch vehicle service, visit www.boucher.com.
