

2019 Wish List

2019 Wish List

Riverside Lodge

Resident Luncheon Package - \$150 each (4 packages needed)

Includes lunch for all memory care residents, ordered as takeout from local restaurant or vendor for a specialized luncheon experience in the comfort of their dining room.

This is one of the residents' favorite experiences!

- » Residents select their favorite area restaurant or vendor.
- » Each individual orders their favorite meal from the menu selections.
- » Food is served by staff in their own environment for a unique dining experience that is different from their usual routine.

Special Resident Outing Packages:

- » Trip to the Domes - a fun day at the Domes in Milwaukee which includes admission, transportation, and ice cream - \$200
- » A Picnic in the Park - an exciting day away in the great outdoors complete with a picnic basket full of delicious food - \$200
- » Resident breakfast at Sunnyside in Dousman - A short excursion to get out and about for a delicious breakfast and great conversation - \$150

Tablecloths - \$300

To enhance the dining experience for residents and guests during special occasions.

Update Christmas decorations - \$500

New games, puzzles, and painting supplies - \$250

New plates, bowls, and silverware for dining - \$500

Riverside Lodge decorations - \$500

To help complete the interior update.

Outside storage - \$400

To store the residents' gardening and outdoor tools.

Masonic Center for Health and Rehab

Resident Luncheon Package - \$125 each (4 packages needed)

Includes lunch for residents at the Health Care Center, ordered as takeout from a local restaurant or vendor for a specialized luncheon experience in the comfort of their dining room. **This is one of the residents' favorite experiences!**

- » Residents select their favorite area restaurant or vendor.
- » Each individual orders their favorite meal from the menu selections.
- » Food is served by staff in their own environment for a unique dining experience that is different from their usual routine.

Comfort Care Kit – \$150 per kit (4 kits needed)

A kit to provide comfort measures during end of life would be impactful to our residents.

Each kit would include a portable music player with comforting music CDs, headphone sets, meaningful books of spirituality, devotion, or poetry, and soothing lotion. These kits will be packaged in a basket and offered specifically for residents who are at the end of life. They may be used by visiting hospice services, Three Pillars employees, and resident family members.

Seasonal Holiday Décor for Rehabilitation Wing – \$500

Seasonal décor accents for each of our 14 rehabilitation suites would enhance the therapeutic experience and enrich the home-like environment. The decorative seasonal items would be placed on the shelves just outside each suite for enjoyment by all patients and visitors.

Mason Woods

Weber Gas Grill (new) - \$1,000

For those summer evenings down by the lake! All residents would enjoy use of a new community grill.

Popcorn Machine - \$600 **FUNDED**

Both residents and staff would appreciate the inviting treat of freshly popped popcorn during special occasions, movie nights, or “just because” on a cold, snowy day.

Fireplace Artwork- \$500

Residents, staff, and visitors would be delighted with a beautiful new piece of artwork to freshen up the area above the fireplace in the main entrance.

Wellness Connection

Small Group Class Equipment (for classes with 3-13 participants):

- » 5” Fit Ball Therapy Balls: 14 needed - \$13 per ball (\$182 for all fourteen)
- » Fitness Mats: 14 needed - \$60 per mat (\$840 for all fourteen)
- » Therapy Balance Pads: 3 needed for fall prevention assessments, campus-wide balance training, and fitness classes - \$73 per pad (\$219 for all three)
- » Yoga Straps – 2 each needed of 10’ and 12’ options - \$12 per strap (\$48 for all four)
- » Medicine Balls – 3 each needed of 4 and 8 pound options - \$25 per ball (\$150 for all six)

Resistance Bands for Every Resident – \$1.50 per cut band (\$450 for all 300)

The Wellness Connection wishes to give every resident a resistance band to work independently on strength training after their first assessment with VirtuSense, our new balance assessment tool. Training and tips for use will be provided during exercise classes.

Outdoor Bicycle Rack – \$1,500 (approximate)

A functional and beautiful bike rack is needed for the front of the Wellness Connection so residents and members may park their bikes during a workout.

Therapy | Rehabilitation

Ice Man Classic Cold Therapy Unit – \$200

Cold therapy treatments would help reduce pain and swelling while speeding up rehabilitation.

AutoTherm 339 Shortwave Diathermy – \$9,700

This treatment provides gentle warming therapy in continuous or pulsed modes. With deep penetration through an inductive coil applicator or superficial penetration through capacitive electrodes, it soothes and relaxes muscles.

Compass Point

Resident Luncheon Package - \$150 each (4 packages needed)

Includes lunch for all compass point residents, ordered as takeout from local restaurant or vendor for a specialized luncheon experience in the comfort of their dining room. **This is one of the residents' favorite experiences!**

- » Residents select their favorite area restaurant or vendor.
- » Each individual orders their favorite meal from the menu selections.
- » Food is served by staff in their own environment for a unique dining experience that is different from their usual routine.

Compass Point | Village on the Square

Portable microphone and speaker system - \$100 **FUNDED**

To help maximize the experience while at an event or outing.

Sponsorship Opportunities for Lifestyle activities

- » Entertainment Sponsor - \$200-\$400
- » Event Sponsor - \$500
- » Craft Sponsor - 4 fabric cutting scissors needed - \$100 for all 4

Residents Judy Chipman (left) and Jane Sweet (right) smile for a picture during their Crafts for a Cause crafting session.
