THREE PILLARS SENIOR LIVING COMMUNITIES HOLDS CORNERSTONE EVENT

Dousman, Wis. October 11, 2021 — On Friday, October 8, 2021, Three Pillars Senior Living Communities held a cornerstone event to dedicate the foundational stone and initiate a time capsule for placement in the new Community Based Resident Facility (CBRF) at Three Pillars, which is currently under construction.

The Grand Master and other State Officers from the Grand Lodge of Free & Accepted Masons of Wisconsin attended and performed several traditional rites to dedicate the cornerstone. Also in attendance were some members of the Three Pillars Board of Directors, along with staff and residents.

The event signifies another important milestone as the expansion at Three Pillars continues. Once the construction of Riverside Lodge is complete, the full continuum of care on Three Pillars' campus will be even broader. Riverside Lodge will be home to 69 new higher level assisted living units with occupancy for 75 individuals, with part of it dedicated to care suites in a Memory Care neighborhood.

Three Pillars President & CEO, Mark Strautman, presents the Most Worshipful Grand Master of Masons in Wisconsin, Gary Stang, with documents to place in the cornerstone.
