

You're Not Alone!

Connect With Others Who Have A Movement Disorder

Three Pillars is pleased to offer a Movement Disorder Group on its Dousman campus. The group is open to community members, Three Pillars residents, and their family members. The group was proposed by Three Pillars residents who have an interest in this topic!

THE MOVEMENT DISORDER GROUP

- Friday, March 22, 2024 | 11AM
- Village on the Square Community Room
(314 E Village Ct, Dousman)

At our first meeting in March, we will discuss ways the group can provide support, information, and activities for those who are experiencing movement disorders.

It is our hope, through this group, participants will find connections with others and learn how to improve their lives through education about diseases, treatment, and lifestyle choices that can impact progression.
