

# Three Pillars Tribute Program

We are pleased to offer meaningful ways to honor the special people in your life through the Three Pillars Tribute Program. Your generous gift can be commemorated with a tribute brick, bench, chair, or picnic table, creating a lasting legacy in our serene, park-like setting. Each tribute may be personalized with an engraved plaque or inscription.

We will work closely with you to select a meaningful location for your tribute bench or glider. These pieces are beautiful, comfortable, and thoughtfully designed to withstand the test of time, inviting reflection, rest, and connection for years to come.

Our Tribute Bricks are available in two sizes and can be engraved with a personal message. They are placed along the Three Pillars Tribute Path, which features three distinct sections, including a special area dedicated to honoring those who have served our country.

For questions or more information, contact Terri Isabell, Chief Development Officer, 262.965.7294 or [tisabell@threepillars.org](mailto:tisabell@threepillars.org).
