Generosity in Bloom: Donor Gifts Transform Our Campus

We are incredibly grateful for the generosity of donors who help bring special projects to life across our campus. Thanks to their support, several exciting improvements have recently been completed.

Pastor Terese Leonard was delighted to receive funding for seven beautiful seasonal floral arrangements for the altars in both Ewald Chapel and Riverside Lodge. The collection includes arrangements for fall, winter, spring, and summer providing year-round beauty for worship services and special gatherings. While Pastor Terese always appreciates donations of poinsettias at Christmas and Easter lilies in the spring, these long-lasting arrangements will enhance our worship spaces for years to come. We are also thankful for our partnership with Kaycee Meracle of Blooms in Bloom in Dousman, who created and is generously storing the arrangements when they are not in use.

We also extend our sincere appreciation to Ivanhoe Commandery No. 24, Knights Templar, and the Knights Templar Foundation for their generous support of a new sound system in Ewald Chapel. This important upgrade will improve the worship experience for residents by providing clearer sound and enhanced hearing aid connectivity, making services, programs and entertainment more accessible and enjoyable for all.

Another exciting addition currently in progress is the shade pergola on the Compass Point patio. Supported by donations from many generous contributors, this welcoming space will provide additional shade and comfort for residents and guests. Whether residents are enjoying a picnic, attending outdoor entertainment, or simply relaxing in the fresh air, the pergola will offer a more comfortable outdoor experience throughout the warmer months.

Thank you to all who support Three Pillars
and help make projects like these possible.

Dear Friends,

2026 has been an exciting year as we near completion of The Fields at Three Pillars, our largest expansion in decades. With 110 new homes, nearly half are already occupied, welcoming new residents to our vibrant community.

We're also celebrating an outstanding achievement—our skilled nursing center recently passed rigorous state and federal inspections with zero regulatory deficiencies. This reflects our team's unwavering commitment to providing exceptional care, safety, and dignity for every resident.

We hope you'll celebrate with us at Three Pillars Fest on Saturday, September 19, from 11 a.m. to 3 p.m. in our beautiful wooded park. Bring your family, enjoy the festivities, and see firsthand the impact we make together. We're also looking for volunteers—we'd love to have you join us!

Thank you for being such an important part of the Three Pillars family.

With grateful hearts,

Mark Strautman

The Duck Race is Back!

Get ready for the annual Rubber Duck Race during Three Pillars Fest on Saturday, September 19, with the race beginning at 2:30 PM.

We are launching 2,000 highly trained rubber athletes off the Three Pillars footbridge. They will face the "treacherous" 150-yard stretch of the Bark River. It is a grueling test of floating ability and plastic endurance.

Celebrating Our Amazing Team

From dining services and housekeeping to maintenance, healthcare, the business office, and concierge services, our dedicated staff is the heart of Three Pillars. Whether you see them every day or they work quietly behind the scenes, they help make our community a wonderful place to call home.

While Three Pillars has a no-tip policy, the Staff Appreciation Fund provides a meaningful way for residents, families, and friends to say "thank you." Your gifts help provide staff appreciation events, gift cards, meals, and support for employees experiencing financial hardship.

You can also recognize a special staff member with a personal note—we'll be sure they know your gift was made in their honor.

To support the Staff Appreciation Fund please use the enclosed envelope or visit ThreePillars.org/Giving.

Pass the Hospitality: New Volunteer Times Available

For nearly three years, a dedicated group of volunteers has made breakfast at Riverside Lodge Assisted Living even more welcoming through our Breakfast Hospitality program. From 8:00–9:15 a.m., volunteers greet residents, serve beverages, and, most importantly, spend time visiting with residents, creating meaningful social connections while staff focus on serving food.

The program has been such a success with residents, staff, and volunteers that we are expanding it to include lunch and dinner beginning in August. Volunteers will serve from 11:45 a.m.–1:00 p.m. for lunch and 4:45–6:00 p.m. for dinner. Flexible scheduling makes it easy for volunteers to help when it works best for them.

Creating Comfort Through Compassion

Every resident deserves to look forward to a bathing experience that is relaxing, comforting, and dignified. At Three Pillars, we would like to transform the Riverside Lodge Memory Care Spa into a warm, calming environment designed specifically for individuals living with Alzheimer's disease and other forms of dementia.

Riverside Lodge provides compassionate, person-centered memory care in a safe and supportive setting. Research shows that thoughtfully designed sensory environments can reduce anxiety, promote relaxation, and enhance well-being.

This project is about more than remodeling a room—it's about providing comfort, preserving dignity, and enriching the lives of our residents.

Current Memory Care Spa

Proposed remodel will have a similar look and feel as other spa rooms in Riverside Lodge.

Project Goal:

\$65,000

Includes wall and floor finishes, lighting, plumbing fixtures, and other enhancements to create a welcoming, therapeutic space that supports both residents and caregivers.

Please consider supporting this campaign to help make our vision a reality.

Gift envelopes are enclosed.
