

Masonic Health Care Center

Long-Term Nursing Care

400 North Main Street, Dousman, WI 53118

Since 1905, Three Pillars Senior Living Communities has served thousands upon thousands of families and residents.

Our dedication to a storied history of mission-based services exists as strongly today as it did in 1905. For us, it's always mission first — we measure our success by the satisfaction of our residents, not the size of our bottom line. Three Pillars' proceeds are reinvested into the organization — not distributed to shareholders.

We value our team members as individuals — recognizing the integral role they play in providing residents with a lifestyle they deserve, at an exceptional value, from people they can trust.

As we look to the future, we consistently seek ways to provide our current and future residents with industry-leading, high-quality care, programming, and accommodations to help them thrive.

OUR MISSION

Three Pillars Senior Living Communities, sponsored by the Masonic Fraternity, takes pride in meeting the social, physical, and spiritual needs of older adults through high-quality housing and services.

OUR VISION

We will be the senior living community of choice in Wisconsin, grounded in Masonic principles in all we do, for residents and other customers who will live lives of fully achieved personal satisfaction, and whose support is uniquely crafted to maintain the highest level of vibrant health and independence.

OUR VALUES

- **Respect**
- **Commitment**
- **Fulfillment**
- **Empathy**
- **Fun**

We're proud of our culture. It's driven by our values and modeled by our staff.

The respect and commitment we demonstrate to our residents, and each other, leads to a fulfilled life with a mindset of fun as a habit, and empathy as a decision.

When we say “full continuum,” we mean it.

We take pride in meeting your needs through the different stages of your life, allowing you to thrive regardless of how those needs change. The Masonic Center for Health & Rehab is part of our full continuum of care. Our top-rated Continuing Care Retirement Community sits on 300 beautiful, wooded acres along the Bark River, yet is still close to abundant city amenities.

LIFE'S JUST GETTING STARTED AT THREE PILLARS!

Thank you for your interest in the Masonic Health Care Center! As part of our Masonic Center for Health & Rehab, this community is located amongst the woods along the scenic Bark River on our Main Street side of campus. Renovated in 2022, our long-term, skilled-nursing households proudly feature 36 private rooms with their own bathrooms, as well as stunning activity and living spaces, dining rooms, a beauty salon, and more.

When it comes to long-term skilled nursing, we're proud to offer a full suite of care and services for our residents, delivered by a top-notch interdisciplinary team who puts the residents first in all they do. At our U.S. News & World Report top-rated community, we are renowned for our high quality of care and the longevity of our staff. With onsite physician-directed services and 24-hour nursing supervision, we focus on providing highly personalized care and an engaging lifestyle.

Beyond each individual care plan facilitated by our 24/7 certified nursing assistants and nurses, our residents enjoy all-inclusive, dietitian-directed meals and snacks, a full lineup of daily recreational programs, and a warm, neighborhood feel — all while surrounded by friends. Each private room features a TV, WiFi, cable, bathroom, and call light system for complete comfort and peace of mind.

Steps Prior to Move-In

Whether you're just exploring options or you've worked with our Admissions Coordinator to confirm the Masonic Health Care Center will be your new home, we'll help guide you through all the steps. Here's what's required for any resident moving in:

1. A completed Application for Residency

2. Supporting documents:

- Financial documentation, as outlined in the application
- Power of attorney documents:
 - Health Care (HCPOA)
 - Durable (DPOA)
 - Financial (FPOA)
 - Signed activation form (If applicable – if the resident has dementia or confusion, we must have this. The designee will sign admission paperwork on behalf of the resident.)
- Copies of both sides of cards:
 - Social Security
 - Medicare
 - Supplemental insurance

3. Medical

- Chest X-ray report from within 30 days prior to move-in
- A medical history and physical, completed and signed by a licensed physician within five days prior to move-in
- Signed orders from your physician stating medication and dosing, diet, ambulation, and other applicable orders to follow

Items to Consider Bringing to the Health Care Center:

We welcome our residents to bring items to make their room feel like home. Each Health Care Center room is furnished with a bed, nightstand, chair, telephone, and wall-mounted TV. Items we recommend bringing:

- Telephone
- Personal items to make your room feel like home - décor, photos, etc.
- Clothing and shoes
- Chair, nightstand, and/or other furniture if you prefer your own
- Toiletries

The Masonic Center for Health & Rehab provides the support they need so our residents and their loved ones can maximize this chapter of life.

“ I’ve compared stories with friends who have loved ones at other skilled nursing communities, and they don’t begin to compare with the amenities, staff, and grounds that Three Pillars offers.

We’ve had nothing but positive experiences here. I feel very safe having my mom there with such great care. ”

Our Commitment to **COGNITIVE HEALTH**

At Three Pillars Senior Living Communities, our commitment to cognitive health is central to our strategic growth. We are dedicated to developing and implementing innovative initiatives within the walls of Riverside Lodge, across our entire campus, and in the broader community.

We're proud to offer programs, services, and support around cognitive health
– and we're confident there's something for YOU!

PROGRAMS:

Our comprehensive programs are designed to support individuals across the entire cognitive health spectrum while focusing on prevention, risk reduction, and personalized interventions. From optimal brain health or normal age-related memory loss to mild cognitive impairment and dementia, our mission is to enhance well-being and quality of life for all. Resources include engaging brain health programming, dementia education and training, community speakers, social events, and a lending library.

SUPPORT:

Our cognitive health support programs are designed to empower and support individuals across the full cognitive health continuum, from those seeking to maintain their brain health to those living with cognitive changes and the people who support them. These programs offer information and referrals, support groups, online education and support, educational materials, and cognitive health and memory screenings.
